### About Streetkar

Streetkar Specializes in high-quality professional entertainment featuring the best classic Rock and Roll music from the 50's through 80's. This "Oldies" style of music, "the fun music that everybody loves", is ideal for Corporate and Country Club events. Whether your event is large or small, we provide dependable, creative and professional entertainment for you and your guests.

The band is originally from Birmingham, Alabama and has been performing for audiences across the Southeast for the last 20 years. Streetkar consists of five musicians plus a sound engineer providing vocals, lead guitar, bass guitar, keyboard and drums. We also provide our own lighting and sound system. Our repertoire is perfect for corporate and civic events, country clubs, wedding receptions and class reunions. We also occasionally perform in nightclubs and for other types of public and private events.
